Summer Mission Food Security

During the summer months, when schools are closed, many families go hungry because supplemental breakfast and lunch is not available for school-aged children and youth.

Help us provide some relief by donating shelf-safe protein (canned meat/tuna, peanut butter), healthy yet child-friendly cereal, and shelf-stable snacks. Donation boxes are located in the Narthex and near the main office. Online or monetary donations should indicate "Summer Food Security" Please click [here](#) to donate online.

Update from Sakubva Church.

Thank you so much for the generator and solar and since we are experiencing regular power cuts here in Zimbabwe it had come to our rescue. (Brookside sent this with our last container shipment in 2023.)

Beloved,

Here in Zimbabwe at Mutare Sakubva Church we are doing well and we always include you in our prayers whenever we have prayer sessions. We are in winter but very soon we will be in summer.

Surely, people here are happily counting down the days to receiving and hosting our Ukama/ Partnership friends from your side. I being the Ukama/Partnership Chairperson in Zimbabwe together with other Ukama members we are working hard that all reparations are done in time. We thank you for the letters we are going to receive and the congregation will be happy to receive it.

Since we started at Sakubva Church in January this year we are now settled and our church programs are going on as planned. As I was going through the Church inventory I discovered that you had been helping us with a number of items as donations that includes tools, stationary and other things. Our Christian Junior Sunday School section is well loaded with materials we use every Sunday, we thank you so much.

Pass my greetings to Rev. Laura Biddle. May the Servant of the Lord God be blessed for the good work undertaken. Greet also all our friends at Brookside Church.

With love from Rev. Samson Mhlanga.
